Editor's letter 78.01

Welcome to 2013, everyone! So much for all that cobblers about the end of the world! After all, what did the Mayans know about anything? They didn't even manage to see their own civilization into the second millennium, so why on Earth anyone should be listening to them is completely beyond me!* So stuff 'em – it's onwards and upwards for the rest of us, which in this instance means a sizzling new volume of **MO!** Sasha Kane, Jana Cova and all sorts of other hotties are just the ticket when it turns out the world's carrying on much as before!

*Erm, and if the world has actually come to an end since I wrote this, nobody's going to care about this editorial anyway, are they?

Anything to say about our last issue?

Then this is the place to do it! Come on,
Michelle's gagging for it!

Dear Michelle,

First of all, I want to say a big thank you for keeping this

much of her in the last year or two, so to see her again in all her glory in the pages of your magazine was the perfect Christmas treat for me!

All the best for the new year – and if you can get Zuzanna in for another shoot next year you'll make this reader very happy!

Ken, Leicester.
Michelle says: Thanks Ken. Yes, Zuzanna's not shooting much these days, but we'll do our best to get her back for another flash of those fabulous boobs of hers! Have a good 2013 yourself!

ZUZE BETTER ZUZE BEST!

loyal reader happy for another year – the quality of the girls you've featured has been consistently excellent, and I'm hoping you'll keep up the standard all the way through 2013 and beyond! On a more specific matter, I was delighted to see the photoshoot of the always wonderful Zuzanna in your latest issue, 77.13. As far as I'm concerned this girl is the perfect package, and I was delighted to see her lovely curves again. I'd thought she must have retired because I haven't seen

Dear Michelle,

Ever since I can remember, I've found men my own age a real turn off. I'm 21, and I don't think I'd even consider going out with a bloke who was less than 15 years older than I am. They're

just not that interesting, exciting or good in bed. I want a man who can treat me right, keep me entertained and fuck me until I come really hard.

Anyway, the guy that I've been involved with for the past few months fits the bill perfectly. David is 39, a divorcee who's enjoying life to the full. I have no illusions about the fact that he's with me because I'm young and he feels good with me on his arm, but I don't think that that's necessarily a bad basis for a relationship, and we both really enjoy each other's company. Besides which, he's a really good fuck.

We met through a friend of mine who works with him, and we clicked straight away. David's work keeps him away from home quite a bit, so I still have time to go out with my mates, and it means that when we are together it tends to be quite intense.

Last weekend was a perfect example. David had been away on a job for about a fortnight, and my pussy was gagging for a fuck by the time he got back into town. He called me

and invited me over, and we spent the night screwing.

As we lay there afterwards, he told me about a club that he'd discovered in London, where he'd been working. It was for couples only, and he said that he though it'd be right up our

street. I didn't ask him how he'd found out about it – I knew better.

David booked us a hotel for the weekend, and we travelled up to London. David had bought me a really sexy outfit for the occasion – calf length boots, a tight corset-style top and a pair of tight PVC hotpants, all in black. I looked fucking horny, and with David in a classic suit, I just looked like his slut. I loved it.

The club was a pretty discreet affair, held in what appeared to be a converted apartment. As we walked in, I knew I was in for a good time. Looking round, I could see couples getting off with each other, watching people fuck, or just screwing, right there in the open. David pulled me off to one side and explained the ground rules. If I wasn't up for anything, I just had to say

so, but I could pretty much do whatever I wanted.

"It's like a playground for horny adults," he said, grinning. Well, I was certainly up for that!

We sat and watched for a while, just relaxing with a drink and getting into the idea,

before a couple came over to where we were sitting. The woman was about 30, a slender blonde, and she looked stunning in a long flowing dress, low cut at the top, with slits on the side that revealed black stocking tops and suspenders. "I'm Sandy," she said, "I've not seen you before – do you want to have some fun?" I told her that I might be, and she replied that if I didn't mind her bloke watching, she'd like to show me a good time.

I looked at David, who told me with a grin to do what I wanted, and so I put my legs up in the air, squeezed out of my hotpants, and let Sandra take a good look at my tight, trim pussy, which was already starting to dampen with anticipation.

Smiling, Sandra dropped to her knees between my legs, and asked David and her fella to grab a leg each. They obliged, pulling my legs apart, leaving my pussy wide open, and Sandra scooted in, dipped her head, and lightly licked across my pussy. An intense shock zipped through my body, and I instinctively pushed

OK, so all those celebrity obsessed tabloids might have got themselves into plenty of hot water in recent times thanks to their rather dubious journalistic techniques, but here at *Men Only*, there's one red top we'll always have a soft spot for – the delectable Carmen! Yes, we know not everyone is completely convinced of the charms of titians, but ever now and again we reckon it's well worth catching up with a red-headed honey, and they don't come much sweeter than this one! Apart from anything else, it's quite a novelty to look down and see a flaming red bonce bobbing up and down on your lap – we'd imagine.

TENGA EGGS
Lovehoney.co.uk
£9.99

Generally speaking eggs have been more of a ladies' affair. Not only do they actually provide them when it comes to reproduction—they've even dominated them when it comes to sex toys. Eggs, as far as I could always tell, were something women shoved up their mimsies rather like ben wah balls, to bring themselves off while they were walking around. Well now, at long last, it looks like blokes are finally able to muscle in on all the sexy eggy action, thanks to Tenga and their rather impressive range of eggs.

OK, calm down – these are not like lady sex eggs – you don't shove them up anywhere and bring yourself off that way. What they are are extremely cannily designed wank sleeves that you slip over the old chap prior to knocking one off. I know, I know – you're a man and you've got your pride, and there's no way on God's earth you're attempting to fit you pride and joy into a sleeve that is a mere 2.5 inches long! True enough, it doesn't look very assuming when you get it out of the shell, but thanks to it's super stretchy design, the tiny egg can stretch to accommodate the most admirably proportioned knob (12 inches, they reckon!), and the ribbed interior should bring you off in no time at all...

my pussy up to meet her probing tongue.

As David and Sandy's guy, Gary, held my legs, Sandy started to go for my pussy with ever increasing enthusiasm. She used one hand to flick my clit as she lapped away at my slit, spitting on my pussy until the whole area was a mess of saliva and my own juices. I didn't think it was really necessary, but it looked filthy as she let a trail of spit link my pussy and her mouth, and from the bulges in the guys' trousers, it was one hell of a show to watch! It wasn't bad to be a part of, either, and I started to knead my tits and bullet-stiff nipples, as I looked down through my legs to Sandy, whose face was pressed against

my pussy, her tongue dipping into my dripping hole.

I looked across to David, who was watching intently. I felt myself starting to lose it, groaning loudly, talking dirty and just getting totally drawn into the whole experience. There were a few people watching as Sandy gave my fanny the tonguing and fingering of a lifetime and I felt so incredibly sexy, being the centre of everyone's attention. Gary seemed to get off on watching his wife lapping at pussy, and as our action got more intense, so Gary began giving us instructions and egging us on. I've since realised that David just really

likes to see me acting like a total slut, so he was in his element, sitting back and watching me enjoy this new sexual adventure. And I was, immensely!

As my orgasm started to mount, I got even more vocal and my pussy went into overdrive, juices flowing like water down my crack and round to my arse. Sandy slipped a thumb underneath and

started to massage my ring, pressing her thumb against it until it gave way and her thumb slipped inside. With her tongue on my pussy, her fingers working my clit and her thumb up my arse I just lost it completely and

started to gasp for air as a really powerful orgasm throbbed through my whole body. I closed my eyes and just squealed with pleasure as I came,

body shaking, my body slick with sweat, as waves upon waves of pleasure washed over me, before slumping back against the sofa, exhausted.

Sandy took a long lap at my pussy, but I was so sensitive down there that it was too much, and I closed my legs so that I had time to recover. David leaned in and kissed me, a wicked smile

"She lapped away at my slit, spitting on my pussy until the whole area was a mess..."

on his face. I could feel the flush of my skin, and all I wanted now was to feel his cock inside me. I looked up to thank Sandy, but she and Gary had already

moved on to another couple. I guess that was their thing, Gary watching and Sandy getting it on with another girl, but I wasn't complaining – it felt pretty damn

UGH – WILL YOU LOOK AT THOSE TATTS?

good to me!

David and I have had many, many more adventures since, and perhaps I'll write in and tell you about them another time – Until then, I hope you enjoyed this tale...

Amelia, Barnes.

Dear Michelle,

I've been wondering when you were going to ask Jenny Laird back, and thankfully at long last you've actually done it! That Christmassy set of her in 78.13 showed off all her best assets a treat – I loved that coy picture of her bum on page 46 (*It wasn't that coy!* – Ed.), while her delicious pink pussy gets a full airing on page 48. As for the picture you chose for the centrespread – well, that's now got pride of place among the *Men Only* centrespreads I've got pinned up in my room – a try classic that shows this beautiful girl off to her very best!

Happy new year to everyone at *Men Only*!

Jason, Blackburn.

Michele says: Many thanks to everyone who wrote in about Jenny. Yes, we'll be featuring her in the magazine a good bit more from now on – she's up

for a bit of modelling and we're always chuffed when she does it for us!

Dear Michelle,

The pictures of girls in your latest issue have got me wondering – I can't work out if I like pictures of girls with tattoos or not. Some of them have got really good tattoos which seem very artistic – like the lovely one Jenny Laird's got around her thigh, say, but sometimes they just look a bit silly, like the ones Nina has got on her fingers (what's all that about?) and her ankle. I wonder what your other readers feel bout tattooed girls appearing in the magazine?

Keith, Frome.
Michelle says: Yes, tats can be a bit of a divisive issue, can't they? So following on from Keith's letter, we'd definitely be interested in hearing what you guys think about them. So drop us a line – is it ink, or not for you?!

"My pussy went into overdrive, juices flowing like water down my crack and round my arse."

P.T.O for more...

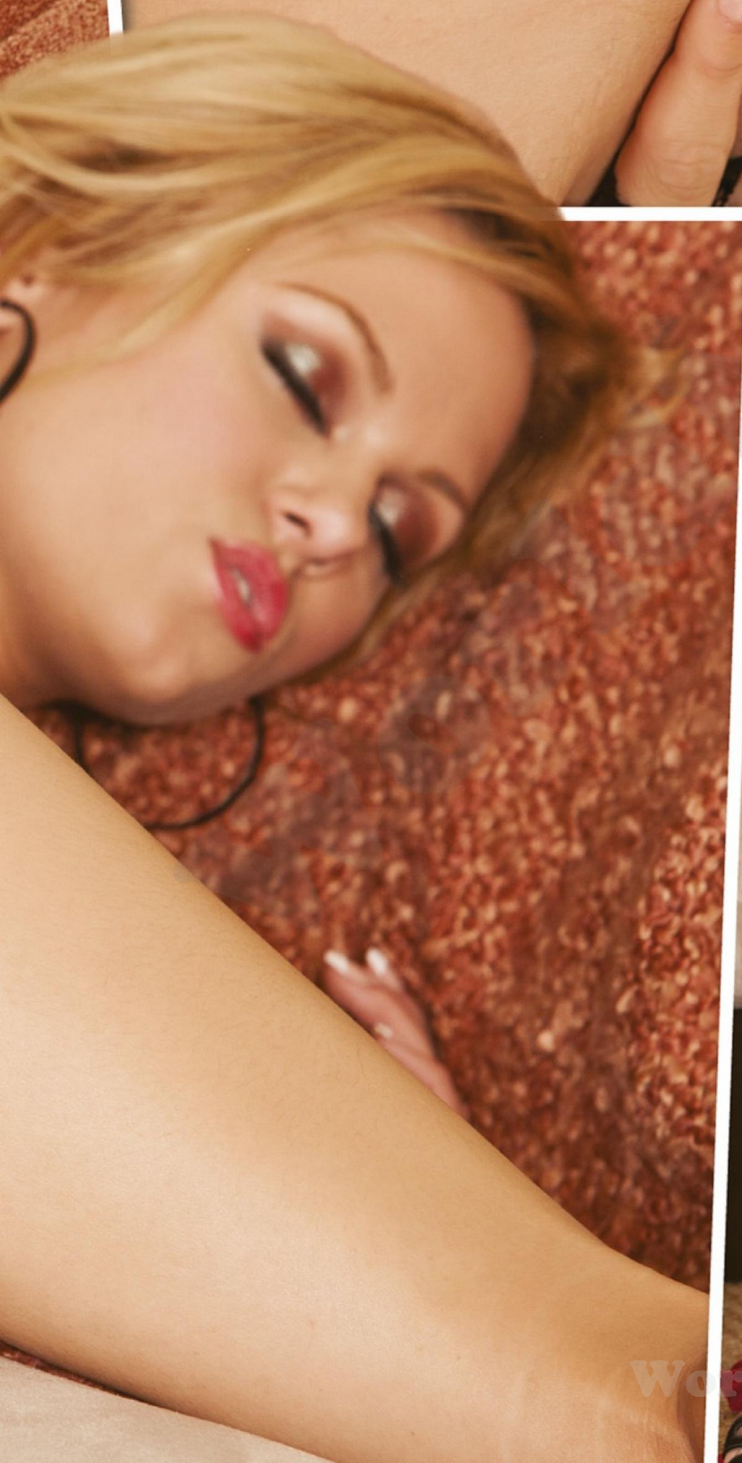

Angelina

Photos: Sage Style

If only because the Ed gets all confused, we try not to feature two girls with the same name in the same issue, but when we clapped eyes on this Angelina, who contrasts so much with the second Angelina we've got this month, we figured even he couldn't get confused between the pair of them! This Angelina, despite the tartan skirt, doesn't have any connection with Scotland, although she's been there a couple of times and claims to have rather fond memories of the place. We asked her for details, but she was a bit sketchy, saying that she'd been in Edinburgh for New Year's Eve and can't really remember too much about what she got up to. Hmm, that probably means there's probably at least one other person out there who's got even fonder memories of the place...

The world's bidding farewell to another virgin as Amanda pops her cherry...

My name's Amanda, and since leaving college last year I have worked at a publishing company as a proof reader. My boss is a close friend of the family, and helped me to settle easily into my new position. Everyone was nice to me, especially Edward who heads up my department.

In fact he seemed to never take his eyes off me, which made me feel a little self-conscious. I had never felt like this before, as while I've had a couple of boyfriends in the past it's always been pretty innocent and I've never felt the strange tingle between my legs that thinking about Edward gave me, and before long I found it hard to concentrate on my work and began fantasising about him.

Although the other girls working with me are also young, they all seem to have had plenty of sexual experience. Just listening to them talking made me realise I needed to lose all the prudish notions that my religious education had pounded into me.

With this in mind I set out to capture Edward's attention fully and began wearing shorter skirts and opening the top three buttons of my blouse. It worked a treat, and within hours of arriving at work Edward was positively drooling over me. By lunchtime midweek he had asked me out.

It took a couple of dates before I was comfortable asking him home to the flat I shared with my cousin Gillian. Gillian works as cabin crew for a well-known airline, and as she was on a long haul flight I knew we would have the place to ourselves.

We had been to a show and had a few drinks, so when I opened the door I was already a little tipsy. Edward had been all over me all evening. Now he drew me into his arms and began kissing me hard on the lips. I allowed him to use his tongue, which was also a big first for me. His eager advances aroused me so much I felt a distinct throb between my legs and my panties dampening.

I had anticipated this for so long. I wanted him so much and in response to his hands, which were roaming across my backside, I reached down and started massaging his

"I loved the feel of his beautiful long thick shaft, and pulled his foreskin back..."

cock through his trouser-front.

Edward moaned softly and pushing me gently away, helped me out of my coat, and, unbuttoning my blouse, slid it off. With a flourish he unclasped my bra. I was wildly excited and when he bent down and sucked one of my nipples I almost came from the ripples of sensation that shot through me – completely unlike anything I'd ever felt before.

He unzipped his trousers and slid them down along with his boxers. I had never seen a cock in the flesh before let alone held one, so I touched it gingerly at first, took it in my fist and began to tug and squeeze it nervously. That was when I admitted to Edward I was a virgin. This seemed to excite him rather than put him off, and he encouraged me with endearments and a few kind words of advice.

I loved the feel of his beautiful long thick shaft and pulled his foreskin back to reveal his cock-head which was leaking pre-come. I'd heard what I was supposed to do next from the girls at work, so kneeling down I cautiously fed it into my mouth and tried bobbing my head as I sucked it, but he begged me to stop after a while, as he didn't want to spoil our fun by coming in my mouth.

He suggested that as it was my first time we should adjourn to my bed and take things slowly. He was really sweet about it and made me feel like a princess. In my bedroom he removed my skirt and rolled down my panties and tights. Sitting me on the edge of the bed he knelt between my thighs and pushed his face into my crotch, spreading my legs wider as he nudged his tongue through the curls surrounding my pussy.

Gently he pulled my pussy-lips apart and began licking up and down my slit making my pussy pulse delightfully as my juices trickled from between my labia. I felt a bit embarrassed having this man's face buried in my most private parts, but it felt so beautiful I soon forgot all that –

and then he began tonguing my clitoris! That was when the real pleasure started! I'd never imagined anything so wonderful, and when my pussy began to spasm, clenching and quivering as I experienced my first orgasm, I grabbed his head and held it hard against me, praying he would keep going forever.

They were, however, still coming fast and furiously when Edward gently inserted his fingers. In and out they slid helped by the copious lubrication of my pussy juice. However when he pushed against my unbroken hymen he asked me if I was sure I wanted to lose my virginity to him. I was never more sure of anything and I begged him: "Fuck me."

He positioned me on the top of the quilt and placed a pillow under my hips. Then we kissed and as our lips locked he rubbed his hard cock along my slit. Positioning it at my entrance he slowly pushed it between my slick pussy lips, stopping just inside my entry. As I became used to his size inside me he waited until I was comfortable, then started moving his cock inside me, back and forth and side to side.

It felt incredible, and when he saw that I was ready to move on he eased his cock further in, building a rhythm until his cockhead struck my hymen. I gasped a little as a sharp pain told me he had broken through, and although he slowed his pace, Edward knew to keep going. Very soon the intensely pleasurable friction he generated had me gasping as I enjoyed my second orgasm. It was truly blissful and I made him keep going until he could hold back no longer. With one final thrust he pushed his cock deep and pumped his load inside my spasming pussy.

"He knelt between my legs and pushed his face into my crotch, spreading my legs wider..."

Ah, Veronica – proud owner of one of the world's greatest bums! We'd always wondered exactly how she managed to end up such glorious glutes, and now, it seem, we have an answer – swimming!

“Er, no, not really,” the girl herself tells us. “I used to do a bit of swimming when I was at school, but I certainly didn't do enough to change the shape of my bum at all. I can't really think why it's ended up so noteworthy, although of course I'm glad it has – as are all the guys I've ever been out with!”

Hmm, well so much for that theory, then. Perhaps all swimming really gives girls big shoulders and frizzy hair. Either way, we're happy enough to credit Mother Nature with Veronica's jacksie – as long as we get to feast our eyes on it whenever we like!

They say Lady Luck's a fickle thing, so we couldn't help wondering if the same applied to Lady Lux...?

"Well, now I think about it, I guess I am, yes!" she confessed. "It doesn't take me all that long to get bored of a man – or a women, come to that – and want to move on to somebody else. I think I'm too young to settle down just yet, anyway, so where's the harm in having a little fun for a few more years? Some guys get a bit upset when I tell them I don't want anything serious, but – hey, what can you do? Some guys are just a bit too serious anyway!"

To be honest we don't really blame them for wanting to keep things going with you, although if serious is definitely out for the time being, we'd probably be happy to make do with a bit of frivolous...

Interview Dylan Ryder

Of Italian and German decent, porn star Dylan Ryder has a certain air of glamour and sophistication about her that often lands her in the “cougar” category even though she is only 29. She first dabbled in the adult industry in 2005 when she found her work as a prison warden less than lucrative. She was an instant hit, but it didn't take long before the inmates started recognizing her and she had to exit the industry.

In 2007 she gave it another go, and since then thousands of fans have given the 5'9" brunette a thumbs-up for her winning combo of catwalk model looks and enthusiasm for taking it good and hard. This is one correctional officer you would love to meet!

What made you leave your previous career for porn?

It was a funny story. I was 22 and I had a girlfriend who was rather plain-looking and who had a normal office job. One day my friend told me she worked extra on the weekends as a porn actress in Los Angeles. I couldn't believe it, but I was intrigued. I loved my job, but I didn't make very much money and it was twelve-hour shifts. So I asked her to help me get some extra work, as well. I figured if she could do it, so could I!

Where you very sexual?

Yes, I am possibly a little oversexed. I was always getting into trouble as a teenager, usually because I loved having sex in public places. I'm still an exhibitionist to this day,

“I was always getting into trouble as a teenager, usually because I loved having sex in public...”

but now I'm in porn so that takes care of my exhibitionistic streak, for sure.

Do you have a boyfriend?

No, not for the past year. And it's a crying shame, because I have developed a taste for morning sex. First thing when I wake up, I want to fuck. This can prove difficult when you

"Your pussy is like a Bentley.
If you leave it in the garage it's
not going to start when you
want to take it for a drive."

don't have a boyfriend. So I rub one out before breakfast. I really do a ton of masturbating!

Most porn actresses seem to cherish their days off when they don't have to have sex.

Not me. Look, your pussy is like a Bentley. If you leave it sitting in the garage all the time, it's not going to want to start when you want to take it for a drive.

Do you have any other hobbies?

Working out. I have a personal trainer. He gets on my case for 2 hours every day. Gotta keep my thighs and ass nice and firm!

What's your favourite body part?

Probably my eyes. I always make eye contact when I suck or fuck. I think it makes sex more intense.

Not your boobs?!

Sure, but I liked them even before the boob job. I guessed I lucked out with my surgery, because people don't even think they are inflated.

You have an exceptional fan following.

What's up with that?

Yeah. I'm just blown away by that. I get recognized all the time, too. In my mind, I'm just me and I'm a completely down-to-earth and a normal person, so I think it's funny people think I'm their dream fuck. But I want my fans to know that not only can I be their fantasy girl, but I'm a real girl as well.

Would you date a fan?

I would and I have. In fact, my latest boyfriend was a guy who contacted me through my website. He was really cool so we ended up dating for a while.

What are you attracted to in a man?

I've been with all different types and it has to do with the way the guy presents himself. If he's confident, it's a huge turn-on. And also, how he treats you, how he pleasures you, his attention to verbal and non-verbal cues to what you like and what feels good...

Does size matter?

No, because often those hung guys are just relying on their big dicks and all they know is how to rip you open. They don't know how to do anything else. So it gets boring.

What is your favourite position?

I like it standing up, like against a wall. I'm quite tall, so it can be a challenge if the guy is shorter, but it's definitely my favourite and I always come really fast that way.

Do you watch a lot of porn?

No, I have watched only one stroke movie from beginning to end in my

entire life. Usually I just watch the trailers. But I don't watch a lot of regular TV, either, so...

What do you prefer to do with your boyfriends?

I'm into baseball. We'll drink beer and go to the ball game, or go swimming because I love the ocean. Or we can stay home and fuck and play on the Wii. I'm exceptionally good at all kinds of video games!

What is the biggest misconception about the porn industry?

My friends and family seem to think it's just one big orgy from morning to night. But it's a serious job; it's not all about sex, drugs and parties (Oh! - Ed.).

Do you prefer performing in straight gonzo sex scenes or a bit of acting before the sex?

It really varies. I'm no Meryl Streep, but I think it's a lot of fun to try to do more than just fucking. The fucking is easy.

What is your preferred sex scene?

I'm bisexual and I enjoy both men and women, but my favourite scene would be just me and a guy. It's purely selfish; I think I enjoy myself the most when I can have a guy all to myself.

Sasha

Photos: Viv Thomas

Yay - if it isn't our very own favourite south coast seductress Sasha! She was looking so foxy when she turned up for this shoot we thought we'd keep things simple - a bit of tasteful lingerie, a chair, a bean bag - and the girl herself! Sometimes that's all you need. Mind you, there was something else we definitely needed once we'd witnessed her saucy strip - although it didn't have anything to do with soft furnishings. 'Rock hard and throbbing painfully furnishings' would be nearer the mark, in fact...

Web Rat

A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

WHAT STOPPED US FROM WORKING THIS MONTH...

'You May Now Lick The Bride'

<http://www.marryyourpet.com/>

A site which, unsurprisingly, though in English, operates from Holland, where the age of consent is 12 and most insane things are legal – a state of affairs having as much to do with public apathy as misguided Dutch liberality.

MarryYourPet.com might be an amusing diversion if the webmasters weren't serious and trying to get you to fork out money to actually wed your cat or your dog. Matilda (middle-aged and a trifle sinister-looking) describes herself as a "pets and partners priest" and the live online marriages on offer as "simple" (10 euro), "big" (35 euro) and "biggest" (200 euro). "Biggest" gets you a wall plaque to the effect that you and your pet are "officially" an item.

This said, the site is not entirely irresponsible. The small print warns that if you marry your pet he/she may be entitled to half your house and half your income and savings. There is also a companion site in case things don't work out: <http://divorceyourpet.com>

Gruesome Is The New Sexy

<http://looking-my-eyes.blogspot.ie/2009/05/terrible-body-modification.html> [stat – "terrible"]

Not a site to be looking at either before or after you've eaten. In fact, I'm not sure I would look at it again unless I'd gone blind. This photo-rich online realm shows the frankly unbelievable (but real) extremes to which folks plainly in need of psychiatric care have gone to, with the help of tattoo artists, piercers and even surgeons, to make themselves look like the most ghastly and stomach-churning spectacles on God's Earth.

No, but seriously, have a plastic bucket handy. From the dope with crossed dinner knives through his re-bored nose, to the fat bloke who has been altered to have the face of a tattooed tiger (even his canines have seen extensive work), to the girl with the studded, pointy ears and the bint with a corset arrangement of cords sewn into her back and arse, this is humanity at its most physically obtuse and disturbing.

POO GOSH!

Making Spectacular Artefacts From Horseshit
<http://www.craftcouncil.org/magazine/article/praise-poop>

Virginia Gardiner is the extraordinary ecologically-minded genius behind (and occasionally astride) the GCH4, a waterless bog-pan moulded from horse crap, which comes out of the animal's arse then is lovingly treated, shaped and baked to produce something truly impressive. The only problem I can see myself is that the stuff's still brown.

You may ask why Virginia created such a surprising and utile item (no, let's say what we're all thinking:

abomination) in the first place. Well, apparently "to create an urban infrastructure in which people trade their waste for bio-fuel". Presumably she has some idea what she's talking about, but I think the real issue raised by this website is the fact that some woman is obsessed with working in the medium of shite.

Certainly if you imagined that the GCH4 carsey is the sum of

Virginia's accomplishments, you'd be wrong. Here's a lady with more than one string to her bowel. She has also the inventor of Poo Gem, a dodecahedron shaped object which, she insists, can serve as a paperweight or a toy, made of sanitised and resin-molded manure. She has also created a sculpted deer head candleholder with brass fittings. The deer head is so well made it even looks like a real deer head. Only if you put your nose to it would you know that it's not much a trophy from the hunt as the lavatory.

In defence of the accusation that she just enjoys messing with crap, Gardiner counters that she works with only the "highest quality" excrement: fresh from the rumps of the steeds in the Queen's Household Cavalry.

WE'LL MANGLE YOUR BRAIN & TRAUMATISE YOU FOR MONEY

Alien Abductions Incorporated
<http://www.alienabductions.com>

The Alien Abductions Incorporated site – ludicrous as the notion may seem at first glance – caters to the perverse longing many people have to feel special. As the webmasters inform us: "Thousands of individuals are abducted by aliens each year... why haven't they chosen you?"

Hence their slogan (available on a selection of quality T-shirts and other items in the website store): "If they won't contact you, contact us!"

Plainly inspired by one or both film versions of *Total Recall*, Alien Abductions Incorporated – or AAI – claim to be able to supply the punter "with personalised, realistic memories of the alien abduction that you have been waiting for your entire life". Yup.

"When you choose an AAI Abduction Experience our doctors, hypnotists, and memory implant

technicians work with you in pre-abduction orientation sessions to customise one of our hundreds of stock abductions to suit your personal taste. You can even pick one of our fetishist's specials—interspecies breeding, medical experimentation... the best abduction for the lowest price." Pffff.

There is a lovely big map of their "main resort and research facility", which is where all the bugging about with your brain allegedly takes place, though a map of somewhere does not prove that the somewhere exists. Yet it may, since we are invited to visit and take advantage of their para-abductology library, "award-winning on-campus restaurant" and check out their mind-bending memory implantation machine, the Abductalizer.

It's all so professionally laid out that it's hard to tell if they're serious or not. Personally, I think it's bollocks. On the other hand, I was abducted by Greys on my paper round some years ago, and can't help thinking that folk

should save their money and wait their turn – the AAI experience will never be a patch on the real thing.

When she glided into the studio for this shoot the other week, we couldn't help thinking Malory was a bit too, well, posh for this sort of thing. She had a cut glass accent that reeked of the Home Counties, and in all honesty we thought she'd be more at home at a gymkhana or something rather than getting her mimsy out for us. Still, As the old adage says, you shouldn't judge a book by its cover – or a glamour girl by her accent, because naughty Malory was up for just about every suggestion we put to her. Every suggestion, that is, except for the sneaky one we like to slip in just after the shoot's ended... D'oh!

TO HELEN JACK...

My wife and I are in our 40s and regularly buy *Men Only* magazine (we have done for many years). We've been active swingers for more than a decade now, and we thought it would be a kick if I write and tell you how Tina and I first had sex with other people, as it's a story that always gives me a thrill, even now – and to see it in print would be amazing!

At the time, I was working for a major utility company in the South West, and we had just moved to Somerset. We'd not made a great many friends, so we started to go out in Bristol with colleagues from work, particularly a couple called Jack and Helen who were a few years older than us.

Jack and Helen were always up for a night on the tiles, and flirted with all and sundry to the point of indecency. They would dare each other to chat people up in bars, but always go home together. Tina and I just watched, at first, but when Jack bet Tina she couldn't chat a guy up quicker than Helen, Tina rose to the bait – and won the bet.

We carried on like this for quite a while, before Jack and Helen plucked up the courage to ask what they'd been thinking about for a while. They picked a night when we were all a little drunk and, as we relaxed

"Helen grabbed my legs and ran her tongue lightly over the length of my cock."

back at their place, Helen asked Tina if we had ever thought about wife-swapping.

Helen then went on to confess that she and Jack had gone to a wife-swapping party a few months before. She told us just what they'd got up to, and from the way that Tina was squirming in her seat, I could tell that all this talk of sex was getting her frisky. Jack obviously noticed this too, because he came and sat next to us on the sofa and said, "We won't be offended if you aren't up for it but, well, we were wondering if you fancied giving it a go?"

Tina looked over to me, and I shrugged. Helen was definitely sexy, and I have to admit I'd fantasised about fucking her, but I didn't want to appear too eager.

"I think it might be fun to give it a go..." Tina said tentatively, and when I told her it sounded fine to me, she turned away and immediately started to snog Jack.

I put my drink down, left to the two of them

on the sofa and went over to where Helen was sitting. Helen was a curvy brunette with full breasts and as cute as a button. I was going to enjoy this. She was wearing a pair of jeans and a tight T-shirt. I stood in front of her, expecting her to get up so that we could kiss, but she didn't waste any time with that. Seeing the bulge beginning to grow in my trousers, Helen sat on the edge of the chair and undid the front of my trousers, pulling down my trousers and pants so that my cock sprang out in front of her face.

Helen grabbed my legs, pulling me towards her and ran her tongue lightly over the length of my cock, which throbbed at the touch. Then, her hands still behind my legs, Helen started to give me quick licks all over my cock and balls, one minute flicking my foreskin with the tip of her tongue, the next dragging the flat over the underside of my shaft.

"When I closed my lips around her clit and sucked it I felt a tremor rock through her."

A few minutes of this and my cock was stiff as a board. I reached out to pull her head onto my cock, but she stopped me, saying, "No way, Simon, It's much more fun if you let me do this. Just stand there and take it like a man." She laughed wickedly and finally slid her mouth over the head of my cock. A couple of sloppy wet sucks on my cock was all I got before she flopped back in the chair and said, "Right, your turn now," lifting up her legs and pulling her jeans off, revealing a bright red thong covering a very wet fanny.

I looked across to see Tina writhing around of the sofa

with Jack's face buried between her legs, then dropped to my knees and buried my face in her warm, wet snatch. Almost straight away, Helen started to grind her pussy against my face and when I closed my lips around her clit and sucked it I felt the tremor rock through her.

Standing up again, I pulled my shirt off, stepped out of my pants and trousers, and slid my cock straight into her juicy

snatch. She was more than wet enough to take me, and I braced myself against the arms of the chair, pumping in and out of her with long deep strokes as she looked me in the eyes and whispered for me to fuck her hard.

I could hear Tina's familiar whimpering as, presumably, Jack was giving her a good shafting on the other side of the room, and this just spurred me on to greater efforts with Helen. I really gave it some welly as I pounded in and out of her hot, wet fanny. Her arms were wrapped around me, and I could feel her nails digging into the flesh on my back each time I thrust my prick inside her.

There was no way that I was going to be able to hold on for any record length of time. After a few minutes I felt my nuts begin to tighten, and I told Helen that I was about to come.

"Come over my tits – it's a lot sexier," she said, and so I pulled my cock out of her and, rising to my feet, started to wank myself off in front of her. Her hands slipped down to her clit and she frigged herself as I tugged my dick, which was already slick with her juices.

When I came, I came hard, angry spurts of thick, creamy come spattering her tits and stomach. She lifted one hand, scooped up some come on the end of a finger, and greedily licked it clean. Even Tina had never acted this slutty, and I always thought that

"When I came, I came hard, angry spurts of thick, creamy come spattering her tits."

we had a fairly intense sex life.

We got together with Jack and Helen a few more times after that amazing evening, and they took us to our first few swapping parties. We're now veterans of the scene and we both agree that it's done nothing but good for our sex lives. All we really need now is a new, younger couple to initiate in the same way that we were!

Simon (and Tina), Axbridge.

RUSTY PENNY

In the last couple of months my wife Penny has become a bit of an anal queen, and these days she really gets off on being bottom fucked. She is a vivacious red head, with smooth pale freckled skin, a sexy body and a great attitude to shagging.

Since I first met Penny she has willingly

active imagination and a fit and supple body, and she often contorts herself into the most delightfully pleasurable positions with mind-blowing consequences.

Take last weekend for instance we had gone to bed and were just messing around playing with each other's fruity bits. Penny was sitting on my stomach rubbing her pussy against my skin while I

"She guided my rigid appendage between her arse cheeks and nudged it against her hole."

under me as an intense orgasm shook her.

Her face was red and flushed from her exertions as her internal muscles constricted tightly around my pounding truncheon. On and on I rode her determined to satisfy her voracious need, her nails raking my back as I pounded her relentlessly. With a loud scream, her passion peaked and she climaxed hard, splashing my balls with her erotic juices.

With considerable effort I managed to maintain my cool and hold onto my load. I had exerted considerable effort in pleasuring her and lay on my back for a breather while Penny leaned over to the nightstand and found

participated in almost every known kind of sexual perversion with me. This open-minded view has allowed our sex life to blossom rather than stagnate, and as a result we are happier and more contented than most married couples.

Anal is not something that she has just woke up one day and declared a preference for, but an acquired taste that she has learned to enjoy and develop into an important part of our lovemaking. She

"Penny always murmurs softly while I caress her sweet ring in preparation for fucking."

has a beautiful hole and makes the most of presenting it to me in the most mouth watering and provocative fashion.

It is my greatest pleasure to adore her lovely bum hole with my tongue, rimming its softly pleated circumference at every opportunity. Penny always waggles her glorious arse cheeks as I do so, and murmurs softly while I caress her sweet ring in preparation for sound bum fucking.

For most women the clitoris is the most erogenous zone and I always spend time tweaking and twiddling Penny's love button while lapping at her arse ring. Penny has an

tweaked and squeezed her nipples. I could feel her excitement oozing through the hairs of her snatch as my fingers teased her teats.

As I pulled on her hardened nipples my cock rubbed against her soft buttocks and instinctively Penny reached back and began to caress my shaft. Raising herself onto her knees, she moved back and, pulling her pussy lips apart, she sank her saturated pussy down onto my tool.

Once I felt my prick securely installed inside her tightly gripping cunt lips, I rolled her over and began pounding my meat in and out of her luscious pussy. Penny went wild drumming her heels against the bed covers, her buttocks bucking

a tube of lube.

Squeezing some into the palm of her hand Penny stroked my cock and slicked it all over with the lubricant. Then, straddling me, she guided my rigid appendage between her arse cheeks and nudged it against her hole.

I watched her face intently as she lowered her tight anal ring onto my stiff cock.

Her eyes blinked and she bit her lower lip as I felt her sphincter open and my dick burrowed its way into the velvety depths of her anal canal. The warmth and tightness of her rectal cavity were exquisite and she flexed her sphincter muscle as she lowered herself fully onto my rod.

Penny's hips began grinding around on my throbbing cock, working it ever deeper inside her. I thrust upward with my hips as she sank fully down impaling herself on my boner, her lovely face a perplexing mix of discomfort and ecstasy. As she adjusted to the intrusion I marvelled at the sensation of being buried inside her arsehole.

She leaned forward and then began moving up and down on my cock, gasping with each descent her eyes sparkling with desire as I watched the pleasure unfold on her face. Her stamina was prodigious and after several minutes, gradually increasing in speed and intensity her breath came in harsh little gasps. Suddenly, her pleasure found its release and she yelled as she dug her fingers inside her fanny, which erupted with a splatter of her honeyed secretions.

With furious force Penny bounced against

vigorously at her clit and her breasts bouncing, her next orgasm was quick, urgent, and intense. As her climax dissolved, I felt my own become imminent.

The seed welled up in my sack and I began to feel that delicious tingle at the base of my cock as Penny's hole slid up off my cock with an audible pop. With an expertise gained from experience, she grabbed it pumping furiously as a strong blast of cum squirted skyward in a long and arching path. A second volley even more voluminous than the first squirted its length across her breasts before Penny's mouth caught my eruptions and creamy loads streamed their way upward onto her tongue, mouth and nose.

My eyes closed as the convulsions became a running river of white fluid spilling

"The seed welled up in my sack and I began to feel that delicious tingle at the base of my cock."

in cascades out of the hole. Penny was sweating and my cock softening as the last waves of my orgasm dissolved. She lay on top of me and I held her close, naked skin against naked skin, bushy pubic hair meshed with our essences. I ran my hands over her body, caressing her soft

my hard cock completely corking her hole, as she forced my pole ever deeper. With her right hand pumping

perfect form, as we lay motionless in the quiet of the afternoon, until sated we fell asleep together.

DVD Reviews

We've got something a bit comic-y on this side of the spread for once, although there's some full-on horror as well, just in case you get twitchy.

DREDD

Entertainment Film

7/10

We're pretty sure that all 200AD aficionados were a bit dischuffed by the rather lame *Judge Dredd* flick that came out back in the mid-90s with Sly Stallone in the lead role. Yes, it had Ian Dury in it, but there wasn't much more to be said for it than that, with the rather OTT Hollywood-isation of the subject matter rendering the whole thing a lot less than the sum of its parts. Cue 2012, when a remake came along...

This time round Karl Urban takes the lead role of the Mega-City One enforcer, the man charged (along with his green sidekick Judge Anderson – ably played by Olivia Thirlby) with the task of cleaning up a tower block

inhabited by a drug lord and his entourage. Sound a bit like Korean flick *The Raid*? Yes, we thought so too, but hey – there have been plenty of flicks over the years with the same plot, so we're not going to worry too much about that...

Written and produced by Alex Garland (the man behind *The Beach*, *28 Days Later* and *Sunshine*), this flick's clearly got a bit of pedigree, and you can easily see just how much budget was thrown at it – especially if you caught the 3D version. On the small screen things are never going to be quite so impressive, but for a futuristic actioner Dredd ticks pretty well all of the right boxes and provides a suitably diverting way of passing an hour and a half.

Now then, much as we all might prefer to keep it a secret, there's something about a Jean-Claude Van Damme film that gets the blood coursing through a bloke's veins like very little else can. And will you look at that – we've only gone and got a J-CVD flick right here, in our very hands! It's a full 20 years since the first universal Soldier flick hit the big screens, and JC and Dolph Lundgren are back where they belong in this sequel (after several others in the intervening years).

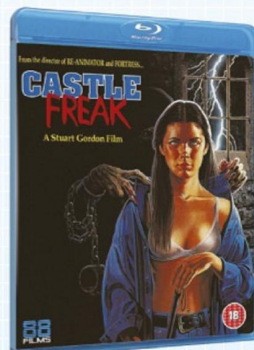

You really don't need to worry too much about that, do you? Dolph and Jean are a couple of Universal Soldiers (Unisols – not to be confused with a haemorrhoid treatment) who team up with Scott Adkins to, well, do a lot of fighting, basically, to avenge (is there a bit of a theme developing here?) his murdered family. Great fights ensue!

UNIVERSAL SOLDIER: DAY OF RECKONING

Studio Canal 6/10

Writer/director Stuart Gordon made his name with the classic *Re-Animator*, which splattered across our (mostly small) screens way back in the mid-80s. Ten years later he gave us this, and with films like *Scream* and *I Know What You Did Last Summer* waiting just around the corner to give the whole horror thing a big kick up the jacksie, all of a sudden films like this looked a bit old fashioned, in much the same way as most Hammer films were already looking a bit dated 20+ years ago. That said, it's a pity to write off films like this, and in fact *Castle Freak* has got a lot of good things going for it. Apart from anything else, it's (loosely) based on a story by H.P. Lovecraft, so it's got good eerie credentials, and the gore on show is pretty spectacular! And this re-release, from 88 Films, is as pristine as you could hope for.

Games Reviews

Got the urge to save the world by jumping on a few orcs? OK, how about doing it by cracking some Skrulls? Yes? Well in that case, read on...

LEGO THE LORD OF THE RINGS

Warner Bros. – X360, PS3, PSV, PC, Wii, (3)DS.

9/10

**GAME
OF THE
MONTH**

Just in case you hadn't noticed, Middle earth is all over the big screens again, now that Peter Jackson's finally got round to having a go at *The Hobbit*. Yes, it might only take a few hours to read, but that doesn't mean it doesn't merit being split into a whopping trilogy that'll probably end up being even longer than the original LOTR trilogy. Still, we'll more than likely all go and see it anyway, won't we? Quite possibly to coincide with this wave's particular crest, Warner Bros. have gone and given the original trilogy a videogame Lego makeover. Using original dialogue from the films, this one follows the storyline of the entire LOTR trilogy, with the merry (and not so merry) band of hobbits, men, elves and the odd dwarf setting off to return the all-powerful ring to Mordor so they can chuck it in that volcano. Anyone who's played any of these Lego games (*Star Wars* being the most obvious precursor) before should have a pretty idea of what's in store – plenty of running around, smashing things, fighting, the odd puzzle to solve... And do you know what? It's actually a cracking little game.

MARVEL AVENGERS: BATTLE FOR EARTH

Ubisoft – X360, Wii U.

6/10

Marvel's stable of Avengers featured in one of the year's biggest movies, so it's little to be wondered there's a game out as well – what is surprising, though, is that it's only available on the Xbox and the new handheld Wii U. What's also rather surprising is that the game's a little bit glitchy and, well, dull. As per, the story features Marvel's big names getting together to SAVE THE EARTH – from a nasty alien race which comic fans will know all about, the Skrulls. Well, naturally we're on the side of the Earth-savers, but it's hard to get overly involved with this one, frankly...

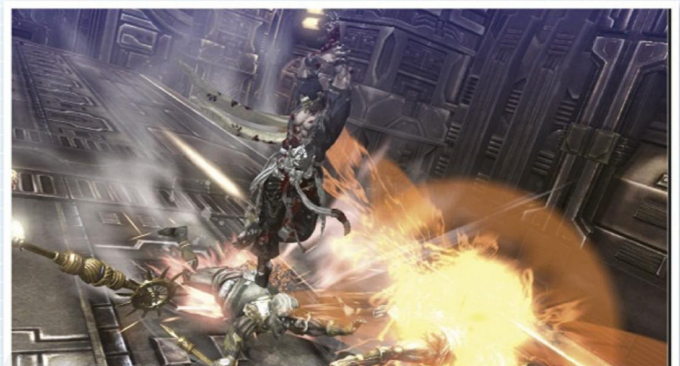

ASURA'S WRATH

Capcom – X360, PS3.

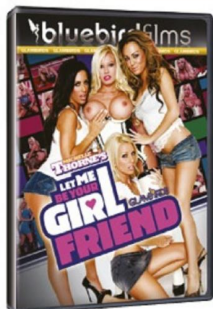

7/10

Oh dear – as you might be able to tell from the title, demigod Asura is not a happy bunny! Still, nor would you be if all your chums had stitched you up, so for this Anime-style actioner, far from being a dish best served cold, revenge is delivered via a series of frantic battles as Asura strives to get back at all those immortal critters. There's a good bit of Buddhist philosophy thrown in for good measure, but it's hard to imagine your typical crystal-hugger enjoying it much. I did, though...

Porn Reviews

So what's our secret reviewer's New Year's Resolution, do you think? Well, it's certainly not to watch less scruff, that's for sure!

MICHELE THORNE: LET ME BE YOUR GIRLFRIEND

Bluebird Films

CAST: Michele Thorne, Gemma Massey, Lou Lou, Kate Hunter, Jess, Kerry Louise, Anna Lovato, Tammie Lee, Crystal, Sammie J, Charlie Monaco.

EDITOR'S CHOICE

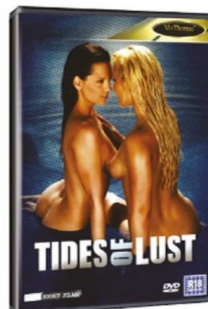

Ah, the words I've been longing to hear since I first clapped eyes on *Men Only's* top-heavy talisman! Sadly (for me at least), Michelle's

only teasing – I've been scanning my email and voicemail avidly, but no genuine offer seems to have been made. Well, I guess I'll have to make do with a mucky movie featuring the girl herself instead...

We kick off with Michelle touching up her lippy and addressing... me! Oh no, there's a stud holding the camera, and so what we have next is a stonking POV scene in which Michelle gives us loads of naughty talk as she slurps on her lucky fella's johnson. She's a born natural, and she's soon hopping board for a ride, pounding away like a good 'un before our hero splashes off all over her welcoming boobs while Chelle frigs herself to the end of our opener!

Some lesbo action next, as Michelle bumps into Gemma Massey and some chums in a studio costume room. Oh, hang on though – there's the cameraman's cock getting in on the action again, slamming into the blonde strumpet as she feasts on Gemma's pussy. Michelle's reward for all this wantonness? A painted tongue, courtesy of our lucky lensman!

More POV boy/girl action next, and if you ever wanted to look down and see your prong sawing in and out of Michelle, this is probably as close as you going to get, so enjoy it. Christ, my nads are drained and there are still two more scenes to go. Does Michelle get royally fucked in them, yes, she does – cracking! **Available from your local sex shop 4/5**

TIDES OF LUST

Viv Thomas

CAST: Jo, Eve Angel, Nicole Smith, Viktoria Diamond, Lana.

What Viv Thomas and his crew don't know about lesbians isn't worth knowing – they must have spent more time watching beautiful girls getting sapphic than anyone else in the world – and I include myself in that category. So whenever Viv puts out a lesbo-themed flick, it's generally worth giving it a spin on the old DVD player to see what he's come up with...

He opens with a couple of big hitters in Jo and Eve Angel, who are sprawling about almost in black and white in wintery Budapest. Still, these two know exactly what to do to keep warm, and after a bit of fondling and dry humping they really get down to business. This is proper, old fashioned arousing stuff – you'd have to be a stiff not to get, er, stiff as Eve slips her tongue between Jo's delicate love-lips, and by the time Eve had returned the favour, I'd certainly taken everything I needed from the scene.

No tides to be seen yet, mind... and there are none in the next pairing, either, between Nicole and Lana. Lighting's a bit moody here, but you kind of get the idea what they're up to, but for me it was a quick skip onto scene three, which does actually feature some beach action. Some lovely softcore tease to get us in the mood here, with Lana and Viktoria giving us the full 'two oiled-up babes on the beach' routine before they finally knuckle down. Hmm, God knows why this sort of thing never happens to me when I'm at the seaside (maybe it's because I'm not a gorgeous blonde lesbo on a porno shoot or something) but the film definitely cranks up a gear or three here, the pace doesn't slacken from there on in. **3/5 Available in your local sex shop.**

ANAL DEBAUCHERY 3

Harmony

CAST: Samantha Bentley, Valentina Napi, Anissa Kate, Anna Joy.

Any lovers of backdoor action out there? Go on, you know who you are! Well, if you've got a penchant for bottery, this is one flick you might just want to get your hands on, because it's crammed full of some of the most full-on anal action this reviewer's experienced since he was at school (never did like Latin much after that...).

Britain's very own Samantha Bentley's first in the blocks, along with the delightful Valentina Napi, who'll be needing a nappy herself if she keeps this sort of thing up for too long. There's a bit of snoggy-gropey from the girls, not to mention some very close-up rimming action and then lo! out springs a cock and things really start to get rude. First off Valentine offers up her pussy, but once the girls have slathered all over his cock, our stud's soon knocking at first one, then the other back door. It's a frantic scene, and quite frankly I'm amazed the cocksman didn't pass out during it – I know I did once or twice just watching it. Filthy, filthy stuff.

Blonde Anna Joy's thrown into the deep end next, in what, it has to be said, seems to be a bit of a low rent scene by Harmony's standards. Still, scene three features the ever-amazing Anissa Kate, who offers up her holes for a mind-blowing DP or two in a scene that'll live long in the memory. As will Samantha's turn in the last scene. Gaping anal filth for the real bot-aholics out there! **4/5 Available at your local sex shop.**

ALL THE WAY RENEE

Score

CAST: Renee Ross, Sohia.

The first thing you have to know about this film is that Renee Ross isn't what you'd call a small girl. In fact she's a 40J, which makes her more than cuddly, but hey – some guys prefer a bit more meat on their bone, and there's no denying the fact she's got a mega pair of tits – which she puts to good work. To begin with we have a tease-y scene in which Renee's on her own, sprawling on a massage table and giving herself her very own happy start, middle and finish. To be honest she could probably use a couple of helpers just to massage those knockers of hers, but we'll just have to wait for that... For scene two Ren's joined by the tiny titter Sohia (that's what it says!) for some very wonky lesbianage (couldn't stop thinking about Slumberland here), but thereafter the cocks arrive, and doesn't Renee seem to enjoy herself as she gets pounded away at? Answer: yes. **3/5 Available in your local sex shop.**

FUCKING FILTHY FANTASIES 2

Private

CAST: Aliz, Michelle, Dominik Drew, Mandy Dee, Mela, Dara.

Oh God – there's that terrible Private voiceover again. I don't know why they bother with it – when you've got a blonde like Dara kneeling between a couple of studs, you don't really need to set the scene. She slurps gamely on both their poles and then one of them mysteriously vanishes, leaving her at the mercy of just the one knob. She makes the most of it, but still, what was all that about? Lighting's a bit ordinary as well, to be honest. The next scene, in which Michelle is put through her paces, at least starts and finishes with the same number of participants, but there's not a lot else you could say about it – the camerawork appears to have been phoned in a bit, and the music's pretty silly as well. To be fair, things do pick up a bit in the remaining scenes, but all in all there's nothing much here to write home about. What are Private thinking of? **2/5**

Angelina

Photos: APD Nudes

East Midlands babe Angelina certainly imprinted herself on our minds during this shoot. First of all, of course, there was her lovely face framed by that rather stylish bob, then her lovely boobs and that curvy bum, but finally it was the haircut – or rather lack of one – at the other end that really made us sit up and pay attention. You don't get to many of those to the pound these days, do you? There's something about seeing a furry pussy like that that takes us right back to our earliest days of obsessing with those naughty mags on the top shelf! heh-heh!

Ah, it's been a little while since we last crossed paths with the top shelf and glamour legend that is Jana Cova! So what has the girl been up to since we last feasted our eyes on her inviting ladybits?

"Oh, I've been pretty busy, I guess – mostly making films and partying in America, although to be honest that doesn't really take up too much of my time, which means I've had plenty of spare time to indulge my hobbies."

Hobbies, eh? Let us guess – needlework? Crosswords? Maybe a bit of baking, now that that seems to be all the rage...?

"No, nothing like that! I mean licking pussy and sucking cock, of course!"

Ah, right! Well, in that case we won't detain you too long!

ALLY

JEANIE

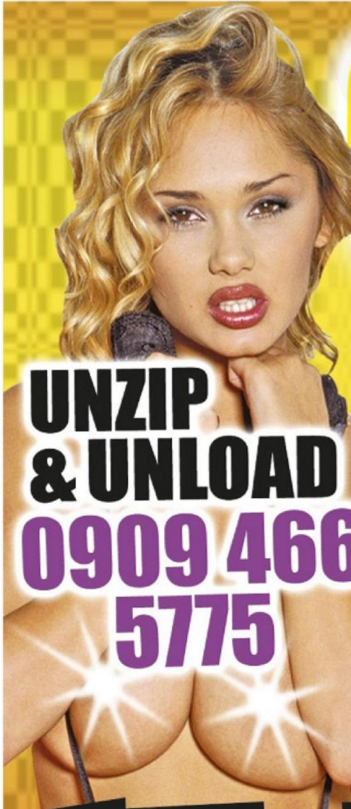

78 – it's usually the sort of age most of us are shuffling around in slippers and fretting about which home our kids are going to stick us in – but then *Men Only's* not like other 78 years olds! We're not interested in Horlicks or whether we're going to get a bit of heating allowance this winter – no, we're far more interested in another sort of licks, and keeping warm the good old-fashioned way! If you've got what it takes, look out for 78.02 and come along for the ride!
